

ENVIRONMENTAL POLICY

We, the management of **DANO TEXTILE INDUSTRIES (PTY) LTD**, manufacturers & distributors of quality woven & warp-knitted terry towelling products, are committed to protecting the **Environment** through:

- *Waste minimisation & re-cycling* initiatives;
- *Adherence* to our ISO 14001 systems & procedures;
- *Continual Improvement* of our Environmental systems & procedures;
- *Compliance* with all relevant legal & other requirements, such as Cleaner Production;
- *Pollution prevention & control*;
- Promoting the use of *environmentally friendly* materials, products, & practices;
- Continually investing in the raising of *environmental awareness* within the organisation.

We therefore commit to being a socially responsible employer for the community, all our stakeholders, & future generations.

Paul Redondi
Managing Director
