

# RISK CONTROL POLICY

We, the management of **DANO TEXTILE INDUSTRIES (PTY) LTD**, manufacturers & distributors of quality woven & warp-knitted terry towelling products, are committed to the effective management of all Risk in our business through:

- Achieving the *highest standards* in design, construction, & maintenance of all assets;
- *Adherence* to our Risk Control policies, systems, & procedures;
- *Compliance* with all relevant legal & other requirements;
- Monitoring & control in the form of regular *auditing & risk assessments*;
- Continually investing in the raising of *awareness* within the organisation of risks associated with its activities;
- The *continual improvement* of our Risk Control systems & procedures;
- Appropriate *Insurance* practices.

We therefore commit to be a responsible employer in the interests of all our stakeholders.

**Paul Redondi**  
Managing Director
