

SAFETY & HEALTH POLICY

We, the management of **DANO TEXTILE INDUSTRIES (PTY) LTD**, manufacturers & distributors of quality woven & warp-knitted terry towelling products, are committed to achieving the highest standards of **Health & Safety** for our employees, visitors & contractors through:

- Promoting a *culture* of good Health & Safety practices;
- Effective management & control of all health & safety related risks;
- Proactive *prevention* of occupational incidents, injuries, & diseases;
- Adherence to our OHSAS 18001 systems & procedures;
- *Continual Improvement* of our SHE systems & procedures;
- *Compliance* with all relevant legal & other requirements;
- Continually investing in the *raising of awareness of health & safety* within the organisation.

We therefore commit to be a responsible employer in the interests of all our stakeholders.

Paul Redondi
Managing Director
